CURJAN RECORDS  
HOLY RECONSTRUCTION SERMON

THE FOLLOWING SERMON WAS ORDERED BY THE HIGH CURJAN

Fellow believers, you need not be a scholar to know that we are not the first to inhabit the world. We are in fact, the second. As recorded in our codex, those before us had a history at least double the length that ours is today, and they were lost in the event we know as "The Inferno" as a result of their sins. You also know that the event was carried out by our three gods known as the Deliverer, the Destroyer, and the Deceiver. Scholars among us have known throughout history that our gods are not mysterious otherworldly beings, but rather humanoid creatures who inhabit the world much like we do. I come to you today bearing the gift of amazing knowledge, for our gods have chosen to grace our great Storyteller with their presence and bestowed upon him their story, filling in the gaps of our codex once and for all! Please, join me in prayer so that I may deliver this great gift to you.

<Quod liberatio, perditionem devorans, et Deceptio, gloriam nomini tuo. Sicut in principio, et nunc et in perpetuum. Amen.>

As you know, in the Beginning, there was only the Creator. She created the world and all life that inhabited it. Humanity, her children, quickly fell into sin and corruption, and from among them rose the False One, and the one whose name shan't be spoken. The two of them were locked in several great wars for thousands of years, bringing the world to ruin. The Creator grew tired of this insolence and raised up the Deliverer, the Destroyer, and the Deceiver to stand up against them. During the ensuing Reckoning, the world was victim to such ruin that humanity was reduced to a mere fraction of what it once was.

But, my fellow Children, until this blessed day, our understanding of the events of the Inferno have been merely partial! Rejoice, and allow me to read to you, courtesy of our gods, the one true account of the events of the Inferno, in full!

And in the end times, the false one bore control of the world and was to marshal it to ruination, yet the destroyer stood up to the false one and engaged him in war. They fought for a thousand years bringing perpetual wick and woe to all those around them, till one day appeared the deceiver, whom tricked them into believing neither one was content to battle any longer, and mocked the men into worshipping her as the one righteous god for a thousand years. And in the two thousandth year, the deliverer stood up and denounced those men for their sins, and he demonstrated his righteousness by taking the heart of the false one and burning him towards the pyre, from which the flames spread across all of the of the world, and the destroyer known his righteous bid and was sent to amerce those men of sin, while those men whom saw the righteousness of the deliverer and pledged themselves to him were spared, among them, the deceiver prostrated herself and declared herself to be reformed. And towards the day of the solar eclipse, the deliverer granted a righteous speech to those men whom pledged to him, and bestowed upon them the code to live by, lest the destroyer amerce their sins, and then he rose up and the entirety of the world was bathed in his holy flame, born anew from the ashes, our home.

Truly, fellow Children, we are blessed beyond compare. Our order of the Most Holy Flame, gifted with such divine glory, is now undoubtedly the One True Order and all those of you whom submit yourselves to The Holy Baptism and remain clean of sin are most assured to be saved from death and wrongdoing. Glory be!
